

WILLIAMS FIREPOWER RUBBER, RING AND BALL SET LIST

Hi everyone, for google and anyone else that needs it, this is what I found the rubbers for Firepower were, what seemed to fit best for me...

- 1 Black shooter rod tip
- 2 1-1/2" red flipper 3/8" high
- 1 5" white ring
- 2 2-1/2" white ring
- 2 2" white ring
- 3 1-1/4" white ring
- 3 1" white ring
- 1 3/4" white ring
- 10 5/16" white ring
- 8 7/16" white mini-post ring (outside diameter)

3 pinballs (standard 1-1/16" ball)

Also the lane guides are, measured hole centre to hole centre,

- 3 1-1/2" double transparent red (2-1/8" end to end)
- 1 2-1/2" single transparent red (3-1/8" end to end)

Marc

-
- 2 Flipper
 - 2 2 1/2"
 - 10 5/16"
 - 1 4"
 - 2 2"
 - 4 1 1/4"
 - 2 1"
 - 1 3/4"
 - 8 minipost
 - 1 plunger tip

Dana

However I do not have that large **rubber** that is along the left side (below the spinner, next to the kickout saucer).

4" on mine also, Scott.
